SALVATION SPIRITS VODKA

Retail \$34

Member Price: \$25.50

"Vodka is vodka." That's what we thought! That is, until our master distiller created The First Premium Vodka of Texas.™

How did he do it? Well that's a trade secret we can't share, but what we can tell you is this - premium ingredients, advanced technology, the removal of greed from the distillation process and the addition of love and attention gave birth to The First Premium Vodka of Texas.

Salvation Spirits Vodka is clean and smooth with a silky finish. It's the essential ingredient in your martini or elevated craft cocktail.

FRITZTOWN GIN

Retail \$40

Member Price: \$30

This isn't your grandpa's gin! Fritztown Gin would have its British ancestors singing the Star-Spangled Banner and Deep in the Heart of Texas.

With traditional elements, Texas fruit and an unusual secret ingredient, Fritztown Gin entices the senses with hints of citrus, floral notes, and botanical sophistication.

FRITZTOWN BLACKBERRY GIN

Retail \$46

Member Price: \$34.50

Fritztown Blackberry Gin is the only American blackberry gin - it's one of a kind. Made with 100% natural, organically grown blackberries, Fritztown Blackberry Gin is fresh with a surprising balance between sweet and tart. Whether elevated into a bright, sophisticated martini or combined with your favorite tonic for a poolside treat, Fritztown Blackberry Gin is ready for every party.

CHI RHO BARREL- AGED GIN

Retail \$74

Member Price: \$55.50

Chi Rho ('kai roo) starts with our American-style gin and a brand new, charred American Oak barrel. The two are left alone just long enough to extract the amber color, honey, vanilla and slight smokiness from the barrel and marry it with our purposely chosen gin botanicals.

If James Bond, George Washington and Ernest Hemingway were kicked back around an open fire on a cool, star-filled evening smoking fine cigars, they'd be sipping our Chi Rho Barrel-Aged Gin. At 100 proof, Chi Rho will quickly become your favorite spirit for an Old-Fashioned, Manhattan or Boulevardier.

OUR MISSION

Salvation Spirits is a purpose-driven, environmentally conscious distillery and winery with a brewery in the works. We are dedicated to making products of unsurpassed quality, out of the finest ingredients, and sharing our success with those in need. We take inspiration from the archangel Michael to dedicate 10% of our net profit to charities serving the poor, the powerless, and the hungry.

OUR LOCATION

We are located on a 10-acre orchard in Fredericksburg, Texas, where we utilize sustainable farming practices to grow peaches, pears, plums, pecans, grapes and other fruits and vegetables that we use in our distillation program and bar program.

OUR FUTURE

The popularity of the Salvation Spirits family of brands continues to grow so we are expanding our production capabilities. We will soon complete a 10,000sf distillery barn to house our 500 liter Müller copper pot still custom made for us in Germany. We are also installing a 10-barrel brewhouse to make small batch craft beer. We will use our peaches and pecans to make a peach lager and a pecan porter as well as other German-style beer that pays homage to the ancestral heritage of Fredericksburg.

Additionally, in the not too distant future, we will build a 10,000sf entertainment venue that will feature a new, hidden speakeasy, a German-style beer hall, a farm-to-table restaurant, a glass conservatory, and a stage for live music.
